Academic Achievement – Poster Presentation at YAAM – ADAC 2026, DY Patil, Navi Mumbai

The Department of Dermatology, Venereology and Leprology (DVL), Vedantaa Institute of Medical Sciences, Palghar, is proud to announce the participation of Dr. Swapnil Japsare, Junior Resident, in YAAM – ADAC 2026, held at Dr. D. Y. Patil Medical College, Hospital & Research Centre, Navi Mumbai.

Dr. Japsare presented an e-poster titled "CO_2 Laser Excision with Suturing for Xanthelasma Palpebrarum: A Case Series", showcasing the efficacy and safety of CO_2 laser-assisted excision with suturing in the management of xanthelasma palpebrarum. The study demonstrated excellent cosmetic outcomes, complete lesion clearance, minimal complications, and high patient satisfaction.

The conference provided an excellent platform for scientific exchange, academic learning, and interaction with eminent dermatologists from across the country. Participation in such national academic forums reflects the institute's commitment to research, innovation, and excellence in patient care.
