

### **Report on MDA Training and ASHA Day Celebration**

On 03 February 2026, Mass Drug Administration (MDA) training was successfully conducted at Vedanta Institute of Medical Sciences (VIMS), Primary Health Centre, Dhundalwadi, and Saivon. The training was organized under the guidance of the District Malaria Officer, Block Health Officer, Epidemic Health Officer and team, along with the Medical Officer, Primary Health Centre, Dhundalwadi.

The programme was graced by the presence of Dr. Debaji Sir and the Director's Representative from Delhi, who provided valuable guidance and encouragement.

A felicitation ceremony was held to honor Dr. Daksha Amonkar, Dean, VIMS, and Dr. Anil Mane, Medical Superintendent, for their leadership and support.

Approximately 150 ASHA workers actively participated in the programme. As part of the academic activities organized by VIMS, expert lectures were conducted:

Dr. Saunitra Inamdar (Department of OBGY) delivered a lecture on Antenatal Care (ANC), diet, and immunization.

Dr. Rahulnetra Gawkar (Department of PSM) delivered a lecture on newborn care and geriatric care.

Dr. Harshada Shah delivered a lecture on Prevention and Prohibition of Sexual Harassment at the Workplace (POSH Act, 2013).

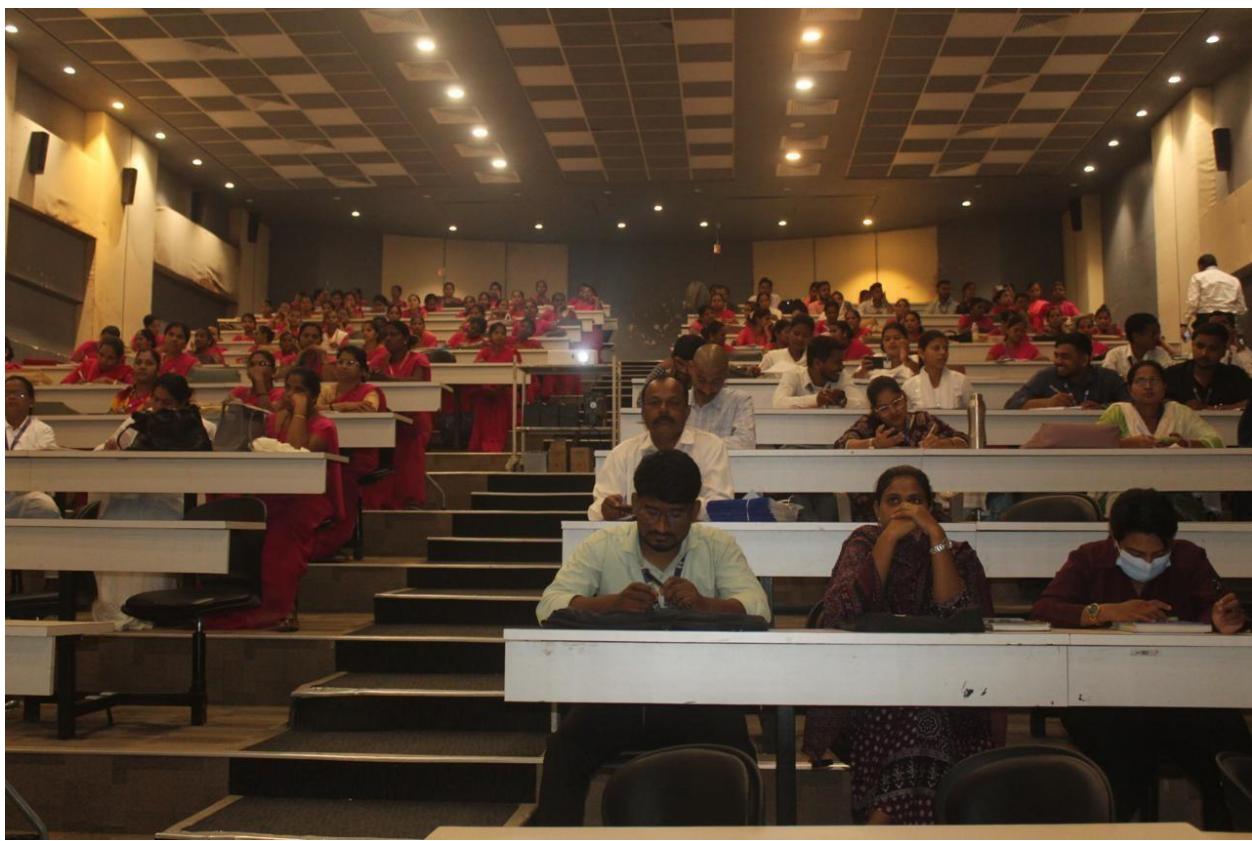

The programme concluded with the successful celebration of ASHA Day at VIMS, recognizing the vital role of ASHA workers in strengthening community health services.

**Thank You**
